

RESEARCH SUPPORT AT INSTITUTO DE INVESTIGACIÓN BIOSANITARIA ibs.GRANADA

The Instituto de Investigación Biosanitaria de Granada (Ibs.Granada) accredited as Center of Excellence by the Instituto de Salud Carlos III

Offered Position

Research support position (R1) in the laboratory of Prof. Lopez Escamez at the Centre for Genomics and Oncology (GENyO), University Hospital Virgen de las Nieves and Ibs.GRANADA in a European Project (H2020) entitled “**Unification of treatments and Interventions for Tinnitus patients (UNITI)**”, The biggest clinical study on tinnitus to date.

The team is looking for a **psychologist**, immediately available, to be engaged in Database management of the UNITI clinical trial. The person selected must provide support in the completion of questionnaires during the evaluation and follow-up of patients. In addition, support in patient visits during cognitive-behavioral therapy will be a function.

Requirements:

- Bachelor's Degree in Psychology.
- Official Master's Degree Neurosciences.

Aspects to be assessed:

- Knowledge of cognitive-behavioral therapy.
- Basic training in neurotology, especially valuing knowledge in audiology and neurophysiology of tinnitus.
- Advanced knowledge of statistical analysis using SPSS or R.
- B1 English level, spoken and written.
- Time flexibility, adapting to patient follow-up appointments.

We offer:

- The position will be funded for 18 months.
- Part-time contract (16 hours per week).
- Competitive salary.

Candidates must apply for the position in our web page indicating the reference “**Contrato 54/2021**”.

Deadline: June 26th, 2021

Evaluation:

- Academic record of the required degree: 10 points.
- Knowledge of cognitive-behavioral therapy. 10 points.
- Basic training in neurotology, especially valuing knowledge in audiology and neurophysiology of tinnitus. 20 points.
- Advanced knowledge of statistical analysis using SPSS or R. 20 points.
- English level: 5 points will be assigned to level B1, up to a maximum of 10 points from this level.
- Personal interview: Communication skills, suitability to the profile. Skills and other topics to clarify, not previously specified in the CV will be assessed. Up to 30 points.

Postal Address: Avda. Madrid, 15, Hospital Universitario San Cecilio (Pabellón Consultas Externas, 2ª planta), 18012, Granada. 958 023264
